SMOHIT's Job-Hazards Screening Program is an important part of our early detection efforts. Each volunteering SMART member receives an examination that includes:

- Chest X-Rays and Breathing Test
- ColoCARE Test to detect blood in the stool
- Blood sample: Cholesterol, Blood Sugar, and Prostate Antigen
- A physical Examination and Vitals

ELGIBILITY: 20+ years (joining prior to Dec 31, 1998) and actively paying dues (minimum dues if retired). *If you have been diagnosed as having asbestos damage in the past, either through SMOHIT or through another physician, you are not eligible.*

You may attend the location that is most convenient for yourself.

Please look for your invitation from SMOHIT in the mail in **Mid-January**.

You may call SMOHIT at (703) 739-7130 or email screenings@smohit.org also.
