

Sheet Metal Worker

\$78,000/Annually

About the Position

The Los Angeles Unified School District is seeking Sheet Metal Workers to perform journey-level sheet metal work that includes detailing, pattern layout, cutting, forming, bending, grinding, riveting, spot welding, soldering, and seaming various metal components.

Specific Responsibilities

Some of the core duties may include:

- Fabricating, installing, and repairing serving tables, steam tables, sinks, ventilating systems (including nonmetallic ductwork), water-proof pans, gutters, downspouts, drain and vent pipes, flashings, window security grilles, metallic-sash windows, and ornamental iron work, using a variety of metals, including black iron, galvanized iron, stainless steel, copper, brass, and aluminum.
- Installing, repairing, and altering school lockers, metal racks, and metal shelving.
- On occasion, assisting in preparing material lists, estimating job costs, preparing job records, and performing surveys.

At a Minimum Candidates Must Possess

EDUCATION: Graduation from high school or evidence of equivalent educational proficiency.

EXPERIENCE: Successful completion of a recognized apprenticeship program in sheet metal work, or five (5) years of experience of sheet metal work in the building trades, of which one (1) year must have been at the journey-level.

Benefits

LAUSD offers a complete benefits package, which includes fully paid medical, dental, and vision coverage for the employee and all dependents; Two weeks of paid vacation to start. Three weeks after five years of year-round paid service. Paid vacation, days of sick leave, twelve paid holidays and participation in the CalPERS retirement plan.
